

# Master Class In Fetal Medicine

28 - 30 September 2017

Dubai - U.A.E

## Day 1

08.45-09.00	Introduction
09.00-09.45	First trimester ultrasound scan
09.45-10.30	Screening for chromosomal abnormalities
10.30-11.15	Second trimester ultrasound scan
11.15-11.45	coffee
11.45-12.00	Anomalies of the heart - 4 chamber
12.00-12.45	Anomalies of the heart - outflow tract
12.45-13.3	Discussion
13.00-14.00	Lunch
14.00-14.45	Anomalies of the CNS - ventricular system
14.45-15.30	Anomalies of the CNS - posterior fossa
15.30-15.45	coffee
15.45-16.30	Anomalies of the CNS - midline and cysts
16.30-18.00	Practical
18.00-18.30	Quiz

## Day 2

08.45-09.00	coffee
09.00-09.45	Multiple Pregnancy: ISUOG Clinical Standards
09.45-10.30	TTS and selective fetal growth restriction
10.30-11.15	Anomalies of the GIT and abdominal wall
11.15-11.45	coffee
11.45-12.00	Anomalies of the genitourinary tract
12.00-12.45	Anomalies of the chest
12.45-13.00	Discussion
13.00-14.00	Lunch
14.00-14.45	Anomalies of the neural tube
14.45-15.30	Anomalies of the skeletal system
15.30-15.45	coffee
15.45-16.30	Anomalies of the face and neck
16.30-18.00	Practical
18.00-18.30	Quiz

## Day 3

08.45-09.00	coffee
09.00-09.45	Fetal growth restriction
09.45-10.30	Congenital infections
10.30-11.15	Fetal anaemia
11.15-11.45	coffee
11.45-12.00	Fetal Tumours
12.00-12.45	Fetal hydrops and genetic syndromes
12.45-13.00	Discussion
13.00-14.00	Lunch
14.00-14.45	Disorders of the placenta
14.45-15.30	Preterm labour screening
15.30-15.45	coffee
15.45-1715	Practical
1715-1800	Assessment
18.00-18.30	Close
